Morse Named a 2026 Best Women-Led Law Firm by MA Lawyers Weekly

September 29, 2026

We're pleased to announce that Morse has been named one of Massachusetts Lawyers Weekly's 2026 Best Women-Led Law Firms! This program recognizes successful firms across Massachusetts that are founded or currently led by women.

As a 25% women-owned firm, we're proud to have women in many of our legal and administrative leadership positions. From practice and industry group leaders to members of our management and compensation committees, women play a central role in shaping our firm's strategy, culture, and approach to client service. Lisa Warren has also served as Morse's Managing Member for more than ten years, exemplifying dedicated leadership and mentorship.

Our incredible team works together to deliver exceptional legal services with integrity, compassion, and a commitment to supporting our clients. We're especially proud to celebrate the amazing women of Morse and the many contributions they make to our firm every day.

This recognition is a testament to their dedication, leadership, and unwavering commitment. Please join us in celebrating their accomplishments and wishing them continued success!
