Morse Welcomes Associate Joseph Hunt

November 14, 2017

WALTHAM, MA – Morse welcomes experienced attorney **Joseph E. Hunt IV** as an associate in its Corporate and Tax Practice Groups. Joe advises emerging and middle-market companies in a wide range of industries and at all stages of their development.

Joe also provides counsel to clients on general tax matters, entity formation, and on corporate governance. Prior to joining Morse, he worked in the Mergers & Acquisitions Transaction Services of a Big Four advisory firm. He focused on advising private equity and multinational corporate clients throughout the M&A life cycle in both buy-side and sell-side transactions, maintaining an emphasis on software, life sciences, and technology industries.

His unusual mix of legal skills focused on both traditional corporate and complex tax issues provides Joe with a singular perspective in both areas of law and expands the Firm's abilities, as well.

> "Joining Morse was a terrific opportunity for me", said Joe, "as it allows me to pursue both of my main areas of interest, without getting pigeon-holed in a more limited way, as so often happens."

Joe received his LL.M. in taxation from Boston University School of Law, where he was honored as the recipient of the Ernest M. Haddad award, and where he now holds the title of Teaching Assistant in the Graduate tax Program.

We invite you to contact Joe directly.
