

2024 VC Deals

A Snapshot of Venture Capital Transactions

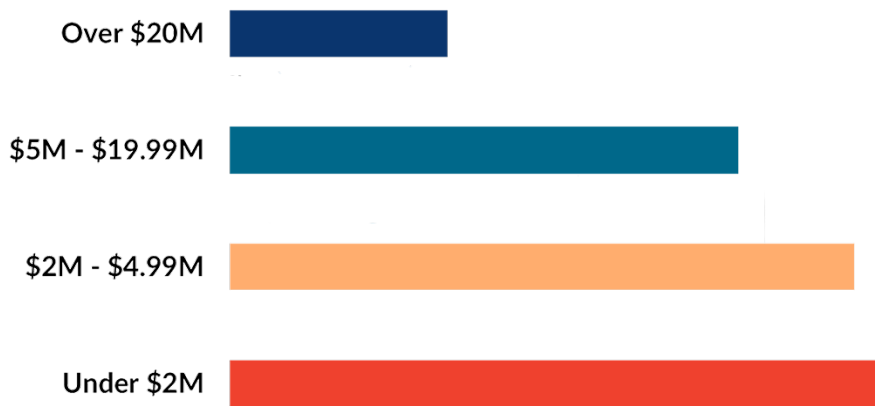

January 31, 2025

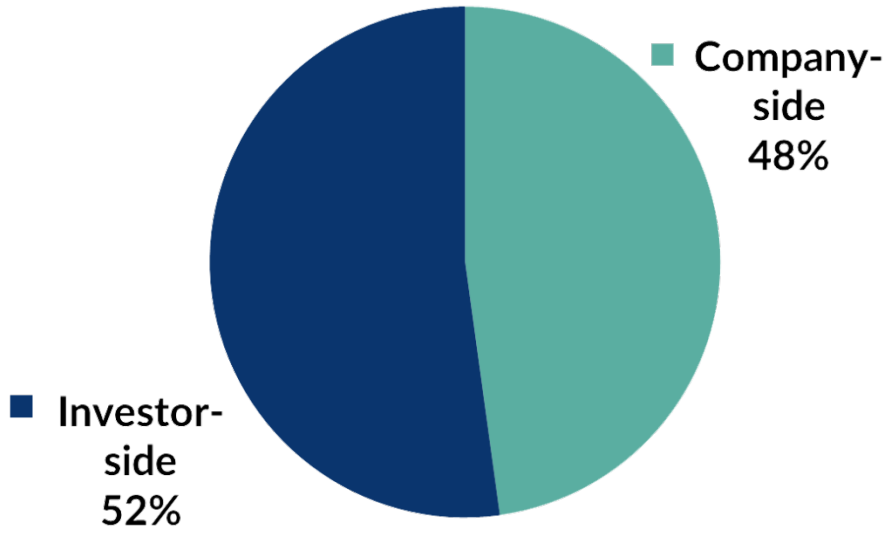

In 2024 our attorneys completed 140 venture capital financings totaling over \$1.2 billion with the average deal size being over \$8 million. Our VC clients come from a diverse range of industries, from cutting-edge AI and Robotics startups to established players in Life Sciences and Biotech fields.

Morse attorneys represented more clients on the investor side of the transaction, with over half of all rounds being equity financing.
