Morse Wins Appeal on Behalf of Client ITyX Solutions

March 04, 2020

Morse litigator Scott Magee recently won an appeal in the U.S. Court of Appeals for the First Circuit on behalf of ITyX Solutions AG. The Court of Appeals affirmed a jury verdict and $9.2 million judgment in favor of ITyX in a 28-page opinion. ITyX Solutions created and sells intelligent document recognition software. ITyX claimed that its reseller, Kodak Alaris, breached multiple agreements for the sales and servicing of the software. The Court agreed that ITyX had not breached the contracts and that Kodak Alaris had breached them, and that ITyX had proved damages from Kodak Alaris selling a competing product and in failing to pay for the professional services agreed to by the parties.
