December 05, 2024

WALTHAM, MA – Morse is pleased to welcome **Taimoor Choudhry** to the firm. Taimoor is joining our **Corporate Practice Group** as an Associate.

Taimoor's legal journey began in immigration law, where he gained experience working in-house at a global immigration firm, as well as a nationally recognized business and family immigration law firm. Driven to expand his knowledge, he pursued an L.L.M. in Taxation at Boston University, where he had the opportunity to learn from Morse Corporate & Tax attorney, **Joe Hunt**. Following his L.L.M., Taimoor transitioned to Mergers & Acquisitions Tax as an Associate at KPMG.

With a strong background in U.S. federal taxation, Taimoor is adept at navigating complex tax issues that arise during mergers, acquisitions, and reorganizations. He assists clients in structuring equity compensation for service providers and ensures compliance with state and federal corporate law requirements. Taimoor writes,

"I joined this firm because of its exceptional reputation for expertise across multiple legal areas, particularly in corporate and tax law. What stood out to me most was not only the opportunity to work alongside highly skilled professionals, but also the firm's commitment to work-life balance and its understanding of the importance of family. The firm's multidisciplinary approach allows me to grow as an advisor in complex legal matters, while the mentorship opportunities with experienced attorneys will help me develop in both corporate and tax law. I'm excited to work with diverse clients, including private equity firms and businesses, tackling intricate legal challenges in a supportive and flexible environment. The firm's values of hard work, dedication, and excellence align perfectly with my own professional aspirations, and I look forward to contributing to and growing within such a dynamic and forward-thinking team."
