

Attorney Earns IAPP Certified Information Privacy Professional Credentials

September 13, 2018

WALTHAM, MA – **Ryan J. Perry** has earned the ANSI-accredited **Certified Information Privacy Professional/United States (CIPP/US)** credential through the International Association of Privacy Professionals (IAPP).

Ryan is a member of the Firm's Corporate and IP Licensing & Strategic Alliances Practice Groups and assists companies with compliance under various privacy and data security regulatory regimes, and works with clients in crafting privacy policies and terms and conditions.

Ryan joins intellectual property attorney **Faith D. Kasparian** in obtaining the CIPP/US certification.

The CIPP is the global standard in privacy certification. Developed and launched by the IAPP with leading subject matter experts, the CIPP is the world's first broad-based global privacy and data protection credentialing program. The CIPP/US demonstrates a strong foundation in U.S. private-sector privacy laws and regulations and understanding of the legal requirements for the responsible transfer of sensitive personal data to/from the U.S., the EU and other jurisdictions.

Congratulations to **Ryan**.
