Cocktails & Conversation with Life Sciences Industry Leaders

October 11, 2017

How do you assess a potential investment or strategic alliance in the life sciences? Hear from industry executives and advisors that have real-life experience.

Join us for cocktails and conversation with life science experts as they discuss trends in:

- Best practices in evaluating and managing strategic alliances and acquisitions
- How to structure Financing transactions and avoid land mines
- How to value and assess IP and how that can affect deal strategy
- And more!

Don't miss out on this opportunity to hear tips from the experts and case studies from what they're living through today.
