Faith Kasparian Named *Go To Privacy & Cybersecurity Lawyer* by MA Lawyers Weekly

November 01, 2022

Morse is excited to announce that our very own Faith D. Kasparian has been named a 2022 Go To Lawyer for Cybersecurity and Data Privacy by *Massachusetts Lawyers Weekly*. This feature was created in 2020 to showcase leaders in the Massachusetts legal community by practice area. Each lawyer featured was nominated by their colleagues and chosen by a panel from Lawyers Weekly.

Faith is not only the Chair of our Privacy and Data Security Practice, but she is also a pioneer for why Morse has this practice group today. In addition, Faith is a Certified Information Privacy Professional/United States (CIPP/US). Faith diligently represents clients at all stages of business growth, providing a high level of expertise to aide in navigating the ever-evolving privacy law world.

With so much to bring to the table, we can confidently agree with Faith being a "go-to" lawyer for cybersecurity and data privacy. Faith was also recognized as one of *Massachusetts Lawyers Weekly*'s Top Women of Law for 2020. Please join us in congratulating her on her continued success and well-deserved recognition.
