Kevin Olson Earns IAPP Certified Information Privacy Technologist Credentials

September 11, 2023

WALTHAM, MA – Kevin S. Olson has earned the ANSI-accredited Certified Information Privacy Technologist (CIPT) credential through the International Association of Privacy Professionals (IAPP).

Kevin is a member of the Firm's Privacy & Data Security Practice Group and focuses on advising companies at all stages of the growth cycle regarding federal, state, and international data protection laws.

Kevin, along with fellow data privacy attorneys Ryan J. Perry and Faith D. Kasparian, also holds the CIPP/US certification.

The CIPT is the most respected and globally recognized privacy in technology certification for personal and operational success. Around the globe, data protection authorities are enforcing regulations that mandate how data can be captured, stored and used. Companies that employ professionals with CIPT certifications are better able to ensure operations meet privacy goals and mitigate cybersecurity risks.

Congratulations to Kevin!
