Lisa Warren Named Go To Patent and Trademark Lawyer by MA Lawyers Weekly

July 25, 2023

Morse is excited to announce that our very own Lisa Warren has been named a 2023 Go To Lawyer for Patent & Trademark by *Massachusetts Lawyers Weekly*. This feature was created in 2020 to showcase leaders in the Massachusetts legal community by practice area. Each lawyer featured was nominated by their colleagues and chosen by a panel from Lawyers Weekly.

In addition to being Managing Partner of the Firm for the last ten years, Lisa also serves as the leader of its Patent Practice Group and Chair of its Specialty Department. A microbiologist by training, her patent experience encompasses diverse areas of life science technologies, from biologics to medical devices. Lisa is actively engaged on a day-to-day basis in what she loves: working with clients to integrate patent strategy with their business goals.

It is no surprise that Lisa was named one of this year's "go-to" lawyers and it is a well-deserved accomplishment. We hope you will join us in congratulating her on this recognition and continued success.
