November 29, 2016

Morse is pleased to announce it has received national and regional rankings in the *U.S. News & World Report / Best Lawyers®* “Best Law Firms” listing for 2017. To be eligible, firms must have attorneys who are listed in the current edition of the *Best Lawyers in America*. Law firms named to the list are recognized for “professional excellence with persistently impressive ratings from clients and peers.” Achieving a ranking signals a unique combination of quality law practice and breadth of legal expertise.

Morse has received national rankings in three practice areas — **Tax Law** (Tier 2), **Tax Litigation** (Tier 2), and **Venture Capital Law** (Tier 3) — and Boston metropolitan rankings in three areas — Tax Law (Tier 1), Tax Litigation (Tier 1) and Venture Capital Law (Tier 3).

The *U.S. News & World Report / Best Lawyers* “Best Law Firms” rankings are determined using a rigorous evaluation process that asks clients and peers to evaluate firms based on responsiveness, understanding of a business and its needs, cost effectiveness, integrity and civility, as well as whether they would refer a matter to the firm and/or consider the firm a worthy competitor.
