

Morse Serves as Counsel to D-Tools in Series C Financing

September 03, 2025

Morse is pleased to announce that **D-Tools**, a global leader in business management software solutions for system integration firms, has closed its Series C financing round, led by **StellarIQ** with support from **Greybull Stewardship**. This investment will further strengthen D-Tools' product suite and advance their mission to provide the most comprehensive end-to-end software solution for electronic systems contractors.

D-Tools offers two powerful software solutions – System Integrator™ (SI) and its cloud-based platform, **D-Tools Cloud** – designed to help integrators manage every aspect of their businesses. With this new funding, D-Tools will expand its business management capabilities, delivering greater functionality, more automated workflows, and intelligent tools that enable integration firms to operate more efficiently.

Morse attorneys **Dan Blanchard** and **Dan Wilcox** served as counsel to D-Tools in this transaction.

Additional details on the investment can be found in **D-Tools' press release**.

Morse focuses exclusively on the core legal services that businesses need to succeed, helping businesses of all sizes — from startups to Fortune 1000 companies — in the service areas of corporate, intellectual property, licensing, employment, taxation, and litigation.
