

# Morse Serves as Counsel to FIGUR8 in Acquisition by Myant Medical Corporation

May 27, 2026

Morse represented **FIGUR8**, a platform focused on measuring musculoskeletal health and injury recovery, in its recent acquisition by **Myant Medical Corporation**. This strategic partnership aims to improve clinical decision-making, accelerate recovery timelines, and support more proactive and preventative models of care.

FIGUR8's platform evaluates musculoskeletal conditions through wearable sensors and AI-driven analytics that quantify injury severity, track recovery, and deliver data-driven insights to clinicians. Combined with Myant's SKIIN platform, the integrated technology will create a seamless, end-to-end care experience spanning in-clinic diagnostics, continuous at-home monitoring, and personalized recovery and care pathways, helping bridge the gap between diagnosis and recovery.

Morse attorneys **Laurie Burlingame**, **Jon Gworek**, **Rebecca Alperin**, **Dave Czarnecki**, **Matt Mitchell**, and **Monica Sax** served as counsel to FIGUR8 in this transaction.

Additional details on the investment can be found in [Myant's press release](#).

Morse focuses exclusively on the core legal services that businesses need to succeed, helping businesses of all sizes — from startups to Fortune 1000 companies — in the service areas of corporate, intellectual property, licensing, employment, taxation, and litigation.
