April 11, 2018

WALTHAM, MA – Morse is pleased to welcome seasoned Corporate Senior Attorney **Daniel J. Blanchard** to the Firm. Dan advises his clients on corporate governance, strategic commercial transactions, equity and debt fundraising activities, and mergers and acquisitions.

Dan also counsels lower-to-mid-market private equity funds and family offices in connection with their investments, the management of portfolio companies, and leveraged "roll-up" transactions. He represents lenders in complex financial transactions including senior, second lien, venture debt financings, and mezzanine financings, on an asset-based, recurring revenue and cash-flow basis.

> "Morse feels like the perfect fit for me," Dan said. "The legal work is sophisticated, complex and challenging, and the client-centric firm culture encourages a strong sense of partnership with those we counsel. That's the best of both worlds, in my book."

Dan is a *cum laude* graduate of Boston College Law School, and earned his *magna cum laude* B.A. from Tufts University. A member of the Firm's Corporate, M&A, VC and Commercial Debt Financing practices, Dan was previously Of Counsel in the corporate group of an international law firm.
