Join the invite list

today to be the first to hear about our next session!

November 30, 2023 – **PROTECT: Basics of Arbitration** – Join Employment Attorney **Amanda Thibodeau** and Litigation Attorney **Paige Zacharakis** to learn about the basics of arbitration. This webinar will include an overview of what arbitration is, a summary of the timeline and process, and pros and cons of electing arbitration. **(Check out the recap here.)**

May 11, 2023 – **PROTECT: Intellectual Property (IP) Basics: A Primer on Patents, Trademarks, and Copyrights**. Patent Attorney **Erin Bryan** and Trademark and Copyright Attorney **Stacey Friends** will de-mystify "IP." Learn the differences between these three areas of the law, including what each law protects (and what it doesn't), how to register and maintain each type of IP, how long federal protection lasts, how to transfer rights, and more. **(Check out the recap here.)**

April 13, 2023 – PROFIT: *Preparing for an M&A Exit* – Join **Mary Beth Kerrigan** and **Elizabeth Resteghini** for a discussion on how to prepare your company for an acquisition. This webinar will include a review of key diligence items to consider, a summary of the timeline of the process and a review of material business terms to be negotiated in a transaction. ([Check out the recap here.](#))

March 9, 2023 – GROW: *Employee Benefits 101 & Secure Act 2.0* – **Rebecca Alperin** provides a general overview of the Internal Revenue Code and ERISA requirements applicable to qualified plans, as well as highlights of the upcoming required and discretionary amendments under the Secure Act 2.0. ([Check out the recap here.](#))
