WEBINAR: Employee Benefits 101 & Secure Act 2.0

February 09, 2023

This webinar has passed, but check out the recap!

The next webinar in the Morse Women Attorneys Webinar Series will highlight our ERISA and Employee Benefits services. Each session in this series will focus on an area of law essential to the business lifecycle, start to exit and everything in between.

Join Rebecca Alperin on Thursday, March 9, for a general overview of the Internal Revenue Code and ERISA requirements applicable to qualified plans – retirement and health and welfare. To round out the discussion, Rebecca will highlight upcoming required and discretionary amendments under the Secure Act 2.0. All are welcome!

Who should attend?

- Plan Administrators
- HR Directors
- Compensation Committee Members
- CFOs and COOs
