

WEBINAR: Intellectual Property (IP) Basics: A Primer on Patent, Trademark, and Copyright

April 19, 2023

This webinar has passed. The Morse Women Attorneys Webinar Series will highlight our Intellectual Property practice. Each session in this series will focus on an area of law essential to the business lifecycle, start to exit and everything in between.

Patent Attorney **Erin Bryan** and Trademark and Copyright Attorney Stacey Friends will demystify "IP." Learn the differences between these three areas of the law, including what each law protects (and what it doesn't), how to register and maintain each type of IP, how long federal protection lasts, how to transfer rights, and more!
