Fax **781-622-5933**

dwilcox@morse.law

Dan is a corporate and deal attorney who focuses his practice on emerging company and venture capital transactions, mergers and acquisitions, and joint ventures. As a seasoned corporate and transactional attorney, Dan works with clients to navigate and close complex deals across all phases of the business lifecycle.

Prior to joining Morse, Dan worked at leading international law firms advising on major corporate transactions and served as in-house counsel at a multinational software company. This combination of law firm and corporate experience enables him to anticipate client needs and deliver practical, business-focused legal solutions.

Dan serves as outside counsel to clients in a variety of industries, with a particular focus on Technology, Life Sciences, AgTech, and FoodTech. He advises venture capital funds, emerging companies, and strategic acquirers in connection with:

- Mergers and acquisitions
- Venture capital financings from seed through late-stage rounds
- Joint ventures and strategic partnerships
- Corporate and governance matters

Representative Matters

- Represented company creation firms and venture studios in connection with entity formation, licensing agreements, and financing matters for portfolio companies
- Served as counsel to both venture capital investors and emerging growth companies in financing transactions from seed stage through crossover investments

Education

Boston College Law School, J.D., *cum laude*
Boston College, B.A.
