Lea is a co-founder of the Firm.

Lea's practice focused on representing and advising entrepreneurial, technology-based companies – including start-ups and established businesses – and venture investors in the areas of business structuring, corporate finance, venture capital, project finance, mergers and acquisitions and the protection, licensing and transfer of technology.

Lea is an approved neutral (arbitrator) for the American Arbitration Association.

Prior to entering private practice, Lea served as a law clerk to the Honorable Andrew A. Caffrey, U.S. District Judge, District of Massachusetts.
