Russell L. Widom, Ph.D

Senior Patent Agent

Direct 781-697-2215
Fax 781-622-5933
Waltham, MA
Boston, MA
rwidom@morse.law

Russell's practice focuses on patent drafting and prosecution, infringement and invalidity studies, and client counseling. His expertise spans a number of technology areas including biotechnology, biomaterials, biologics, pharmaceuticals, medical treatment and diagnostics, and medical devices.

Prior to joining Morse, Russell was a Senior Patent Agent at Cesari and McKenna. He was previously a Technology Specialist and Patent Agent at Occhiuti, Rohlicek & Tsao, LLP.

Russell has also held a number of academic research appointments in Boston and New York, including Research Fellow in Cardiology at Harvard Medical School and Assistant Professor of Medicine and Biochemistry at Boston University School of Medicine.

He has research experience in the broad areas of bacteriology, cardiology, and rheumatology, and received funding from the Scleroderma Foundations, the Arthritis Foundation, and the National Institutes of Health.
